Complies with COUNTER, ADA Section 508, Z39.50, OpenURL (beta-testing)

What is it?

This database of authoritative, original, single-topic reports on global issues presents international viewpoints on controversial, newsworthy topics in the same format as the award-winning *CQ Researcher*.

Why does your collection need it?

- Original, thought-provoking, and comprehensive writing by veteran international journalists
- Exclusive content with an international perspective not found in other current events databases
- User-friendly interface with easy navigation
- Highly acclaimed
- Popular features include: Pro/Con, Issue Tracker, Chronology, and Bibliography

What do the critics say?

"The clear, consistent organization, section headings, newspaper-style language, and colorful photos and graphics help make the 12,000-word articles engaging and easy to read. Highly recommended. Lower-/upper level undergraduates; general audience." —**Choice**

"This product will be used constantly by students and other researchers needing to get perspective on an increasingly complex and bewildering set of global issues. Resoundingly recommended for all social and cultural studies collections." —**Library Journal**

★★★★ Top Rating, *Library Journal* Current Events E-Reference Ratings, November 2008

Description

Available exclusively online, *CQ Global Researcher* provides students with definitive, in-depth coverage of global affairs from a number of international viewpoints. The focused, readable, single-topic reports are written by seasoned journalists with years of international experience and offer a consistent, user-friendly organization. Popular sections include "current situation," "pro-con," and a new feature called "voices from abroad." A new interactive global map allows researchers to find all documents related to given geographic areas and individual states.

Readership

High school and undergraduate students of international relations, international studies, comparative politics, global issues, and journalism and communication studies.

Contents

Recent reports include: Aiding Refugees, Religious Fundamentalism, Carbon Trading, Crisis in Darfur, Child Soldiers, Anti-Semitism in Europe, Women's Rights, Looming Water Crisis.
