

Be a part of LSU history!

The LSU Child Care Center is being built on Gourrier Avenue south of the CEBA parking lot. The program will serve 160 children ages 6 weeks to 5 years. This new program will nurture a new generation of LSU tigers. Be one of the first to leave your mark on our walls for future generations.

How to leave your mark?

You and/or your child's artwork can be transferred onto a 6"x6" tile to adorn the walls of our new LSU Child Care Center. Submit your artwork now to help our dream come true.

The cost of each tile is \$100.00. These funds will contribute to the program and its start-up costs, and help to make high quality child care available to the LSU community.

Fill out the information below and send along with artwork and check payable to **LSU Foundation**. A portion of the donation is tax-deductible.
