ENGLISH	1001 1002 1004 1005	WED JULY 31	10:00 - NOON

All regular classes will be discontinued after 10:00 p.m., Monday, July 29. University regulations require that final examinations be held. Where final examinations are inappropriate because of the nature of the course, exceptions to this requirement may be made upon approval of the appropriate department head, dean, or director, and the Office of Academic Affairs. **NO MEMBER OF THE FACULTY IS AUTHORIZED TO WAIVE FINAL EXAMINATIONS EXCEPT WITH APPROVAL AS PRESCRIBED.** Classes not included in this schedule are considered irregular and the dates of their examination shall be fixed by the instructor concerned, subject to the proviso that they be held no earlier than 7:30 a.m., Wednesday, July 31 and that they not conflict with this schedule. Except for night classes, classes which meet for two or more hours on the same day shall be examined at the time assigned for the first hour at which they meet. A laboratory class is to be examined on laboratory material at its last regularly scheduled period. Final examinations for Saturday classes will be given at their regularly scheduled class times on the Saturday of exam week. Classroom availability for Saturday exams must be cleared through the Office of the University Registrar.

Students having three or more final examinations on **one calendar day** may request permission to take no more than two examinations on the day concerned. Requests for special arrangements will be considered only when the three or more examinations cover **more** than seven (7) hours of credit work. These requests should be made to the dean or director at the college or school in which the student is registered. The dean or director is authorized to determine which of the examinations is to be taken at a time other than originally scheduled; that decision is final. A student scheduled for examination in two subjects at the same group examination period shall report for examination in the class listed first in the above schedule; the instructor of the other class shall arrange a special examination for the student. In case of a conflict between a group examination and an examination in a class for which a group examination is not scheduled, the instructor of the class having the group examination shall arrange a special examination. So that instructors concerned may have adequate notice for rescheduling examinations, **students with schedule problems must have all arrangements completed by 4:30 on Tuesday, July 16.** Instructors will make no changes in the examination schedule without the permission of the department head and the dean of the college.

### **DEGREE CANDIDATES**

Grades for degree candidates must be filed in the Office the University Registrar no later than 9:00 a.m., Monday, August 5.

GRADES FOR ALL NON-GRADUATING STUDENTS ARE TO BE FILED AS SOON AS AVAILABLE, BUT NOT LATER THAN 9:00 A.M., TUESDAY, August 6. It is the responsibility of the department head to see that instructors meet the deadlines for submitting grades.

**Tuesday, July 30 has been set aside as a concentrated study day.** During this time, no extracurricular student activities, such as social or athletic events, will be held on or off campus, and there shall be no required major examinations in academic courses. An exception to this policy is that laboratory courses may be examined on laboratory material.

L Review sessions may not be held during the period of the final examination because of the conflicts with scheduled examinations.

L WORKSHOPS, SEMINARS, AND CONFERENCES CANNOT BE SCHEDULED IN CLASSROOMS CONTROLLED BY THE OFFICE OF THE UNIVERSITY REGISTRAR DURING FINAL EXAMINATION PERIOD. THE AUDITORIUMS AND LARGE CLASSROOMS ARE ALL ASSIGNED FOR EXAMINATIONS AND ARE NOT AVAILABLE FOR OTHER OUTSIDE ACTIVITIES.

# WHAT DO I DO IF...

*(The most commonly asked questions)*

## ***I do not receive or lose my fee bill or letter in lieu of a bill?***

View your fee bill via PAWS, e-mail (bursar@lsu.edu), call the Office of Bursar Operations (225/578-3357) immediately, or come to the Office of Bursar Operations, 125 Thomas Boyd Hall to have a new one printed.

## ***My fee bill does not include my student aid or scholarship?***

Contact the Office of Student Aid and Scholarships (225/578-3103) immediately. If your aid/scholarship has not been awarded and accepted by the time bills are due, you must return your remittance stub and the amount due as printed on the bill. Even if your aid/scholarship may be forthcoming, you need to pay what is owed by the due date, or your classes will be purged and you will be assessed the **\$75** service charge to register later.

## ***My fee bill indicates that I am a part-time student and I must be full time to receive my student aid or scholarship?***

Contact your dean's office. Personnel in your dean's office can, on an exception basis, add courses to schedules before students return their remittance stubs. If courses are added to your schedule, use PAWS or call REGGIE, obtain your new account balance, and return that amount with your original remittance stub.

## ***I am a graduate assistant, and the non-resident fee appears on my fee bill?***

Contact your department and make sure that you have been appointed for the upcoming semester/term. If you have been appointed, contact the Graduate School (225/578-1676) and make sure staff in that office have flagged you as a resident in the Advance Billing System.

## ***I receive my fee bill and decide that I want to defer paying part of my fees?***

Even though your fee bill has been prepared, you can still defer half of the current charges for the upcoming semester/term (not prior semester's balance). Use PAWS or call REGGIE and select the payment option function to defer half of your current charges. Obtain your new account balance, and mail that amount with your original remittance stub.

## ***I resolve the problem with my fee bill, and now I owe less than was printed on the bill or have a zero balance?***

You do not have to have a new bill printed! Use PAWS or call REGGIE and obtain your new account balance. You may use PAWS to complete your registration. If you do not use PAWS, return your original remittance stub EVEN IF YOU OWE NOTHING or with the current amount due.

## ***My fee bill indicates that I owe a prior semester's balance?***

A prior semester balance is debt from a previous semester/term. You must pay the balance to be considered registered for the upcoming semester/term, even if it is the only thing you owe! If you want to know what the balance is for, view your billing statement under "Financial Services" on your PAWS Desktop. You may also contact the Office of Bursar Operations (e-mail bursar@lsu.edu), or call (225/578-3357).

## ***I receive my fee bill and want to change a fee for an additional service?***

Once your fee bill is printed, you can no longer use PAWS or call REGGIE to change additional service fees. You must contact the office providing the service to make the change.

## ***I receive a letter in lieu of a bill?***

Carefully follow the directions on the letter and CONTACT THE OFFICE THAT PLACED THE HOLD ON YOUR REGISTRATION. You should not contact the Office of the University Registrar. This office cannot remove the hold. Remember, when the hold is removed, YOU WILL NOT BE MAILED A FEE BILL. You will pay fees via PAWS using a credit card or in the lobby of Thomas Boyd Hall. Your payment of fees will ensure that your courses will not be purged and you will not be assessed the **\$75** late registration service charge.

## ***My courses are purged?***

The first no-pay purge is run following the date payments are due by mail. If your courses are purged, check the registration calendar for the date PAWS and REGGIE re-open. When they re-open, schedule your courses and pay your fees via PAWS using a credit card or complete registration in the lobby of Thomas Boyd Hall. **You will not be mailed another fee bill.** To avoid courses being purged again, you will need to pay fees via PAWS or process a fee bill in the lobby of Thomas Boyd Hall.

## ***I want to confirm that my remittance stub and any payment submitted has been received and I am registered?***

You can check your payment status using PAWS. You can also call REGGIE and select the account balance/registration status function. Do not just list your courses. Having courses scheduled is not proof of registration.

Applications for admission may be obtained as indicated in the following information. Application forms also are available in most Louisiana high schools. All application materials and the required scholastic records should be submitted as early as possible during the spring semester. A non-refund-able application fee of \$25 (check drawn from a U.S. bank or money order made payable to Louisiana State University and showing the name of the student for whom payment is made) must accompany the application for admission.

! **Undergraduate Admissions:** *Office of Undergraduate Admissions, 110 Thomas Boyd Hall.* The application deadline is April 15, 2002. Applications received after this date will be assessed a \$15 late application fee and are considered on an appeal basis only. Non-immigrant applicants must apply by April 15, 2002. Late applications are not accepted.

! **Graduate School:** *Office of Graduate Admissions, 131 David Boyd Hall.* The application deadline is May 15, 2002. Applications received after this date will be assessed a \$25 late application fee.

! **Summer Term Only Applicants:** Students wishing to take summer courses at LSU may do so by submitting an application for admission and the appropriate application fee. If enrollment is for the summer term only, academic records are not required. Students who wish to be considered for regular admission for the fall semester must complete a new application for admission and must supply all official transcripts required for admission.

### Residence Status

Eligibility for classification as a resident of Louisiana is determined by the Office of Undergraduate admissions for undergraduate students and the Graduate School for graduate students in accordance with University regulations. The classification is based on evidence provided on the application for admission and related documents. The complete statement of residence regulations for the LSU System may be obtained from the appropriate admissions office or by visiting the LSU website at [www.lsu.edu](http://www.lsu.edu). Residency status for the Louisiana State University System is governed by permanent memoranda 31 (PM31). This policy may be viewed on the website. Residence

classification and all fees are audited and adjusted, if necessary, after each registration. Appropriate refunds are made or charges assessed.

## REGISTRATION USING REGGIE OR PAWS

Telephone registration (REGGIE) and PAWS let you arrange your schedule of courses and select additional services for the 2002 summer term.

Every effort will be made to keep the registration system available 24 hours each day, except from 5:00 p.m., Saturday, to noon Sunday. Work on LSU's computer system may require that PAWS and REGGIE be unavailable at other times. Refer to the Registration Calendar for specific instructions about when PAWS and REGGIE will be available.

When you are connected with PAWS and REGGIE, you will receive immediate information on the current availability of each class you request.

**\*Currently enrolled LSU students must schedule courses by 7:00 p.m., Tuesday, April 30, 2002. Currently enrolled students who do not schedule courses by this date will not be mailed fee bills. They will be able to schedule courses beginning at 7:00 a.m., May 7, 2002. They will register (pay fees) via PAWS using a credit card, or in the lobby of Thomas Boyd Hall by June 7, and will be assessed the \$75 late registration service charge.**

### New Freshmen

All freshmen students admitted to LSU for the 2002 summer term will schedule classes during the Orientation Program to be held on June 5-6, 2002.

### Re-entry and Transfer Students

Re-entry and transfer **graduate students** will receive **PH1A** priority. Re-entry and transfer **undergraduate students** will receive **PH1E** priority.

## ◀ PERSONAL ACCESS CODE ▶

Initially, we assign students their birth dates as Personal Access Codes. The first time you call REGGIE, you will be prompted to change your Personal Access Code. You will need to change your code before you can complete any transactions with REGGIE. You can change your Personal Access Code anytime using REGGIE.

If you forget your Personal Access Code, you will need to complete a personal access code change form at the Office of the University Registrar. You will be required to present a picture identification card with the change form.

## ◀ COURSE SCHEDULING AND ADDITIONAL SERVICE SELECTION PROCEDURES

To schedule courses, you will need: *Summer 2002 Schedule of Classes*, *LSU General Catalog*, "Fee Selection and Scheduling Worksheet," "Telephone Course Scheduling Worksheet," pen or pencil, and paper.

! Being in debt to the University does not block you from scheduling courses.

! Consult the *LSU General Catalog* and *Schedule of Classes* to familiarize yourself with course requirements, prerequisites, corequisites, and University regulations.

! Organize your registration materials and plan your class schedule using the "Fee Selection and Scheduling Worksheet" in this booklet.

! If you are unsure whether you must obtain advising before you can schedule courses, access PAWS or call REGGIE. If advising is required, see your adviser.

! Determine your preferred courses.

! Schedule only courses for which you meet all course requirements. If you schedule a course for which you are not eligible, your enrollment may be canceled at any time.

! Schedule only courses that apply to your degree or are desirable for other reasons. If you are unable to create a complete schedule of appropriate courses, consult your adviser or departmental office to investigate valid alternatives.

! List your courses in priority order.

! List alternative classes, since some courses or sections may be closed or canceled.

! Determine additional service selections.

! If you call REGGIE, use only a touch-tone phone to make all entries.

! The REGGIE number is 38T-IGER (578-4437). If you are calling from a campus telephone, simply dial T-IGER (8-4437). If the line is busy, call back a little later. If the line rings but is not answered, the system is temporarily unavailable. Try again later. Be persistent.

! Listen carefully to the instructions and information provided. The computer voice will guide you after each entry and prompt you for your next response.

! There are time limits for responding to prompts from REGGIE and time limits on the length of a call. If you exceed either of these limits, the system will disconnect the line automatically. All previous updates completed successfully will be saved.

! If you make an error while keying an entry, you can cancel the transaction by pressing the star (\*) key, then the pound (#) key.

! If the voice response lists a course other than the one you thought you had added, drop the course. Check your "Fee Selection and Scheduling Worksheet" and re-enter your request. If REGGIE

still lists an incorrect course or section, you may have entered the wrong call number. Check the *Schedule of Classes* again for the correct call number. Be certain you are using the call number, not the course number. If the response is still wrong, call the Office of the University Registrar, 225/578-9457.

! If you add a variable credit course, REGGIE will prompt you to key the number of hours for which you wish to enroll. For fractional hours, use the star (\*) key as the decimal. For example, when REGGIE requests variable credit hours for a course that can be taken for 1 1/2 or 2 hours, if you wish to register for 1 1/2 hours, key 1\*5#.

! To change sections in a course, simply add the new section. If space is available, REGGIE will add the new section and automatically drop the other section.

**PLEASE NOTE: LSU logs all PAWS and REGGIE transactions to trace activity and to obtain information that will be used to improve the registration system.**

## ◀ SPECIAL REGISTRATIONS ▶

### **Academic Programs Abroad**

If you wish to participate in an LSU sponsored international exchange program or the National Student Exchange, contact the Office of Academic Programs Abroad, Hatcher Hall, 225/578-6801 or write to [studyabroad@lsu.edu](mailto:studyabroad@lsu.edu). LSU students participating in an academic year exchange program *should not* register for host university classes using REGGIE or PAWS. Registration for these classes is accomplished through the host university class registration system. *Class registration for APA summer study abroad programs is done through the Office of Academic Programs Abroad.* All students participating in academic year exchange programs or summer abroad programs will receive complete class registration instructions from the Office of Academic Programs Abroad. A complete discussion of LSU programs abroad can be found at [www.lsu.edu/studyabroad](http://www.lsu.edu/studyabroad).

### **Audit Only Registration**

You may not schedule courses for "audit only" using REGGIE. If you wish to "audit only," you may obtain special enrollment forms from the Office of the University Registrar, 112 Thomas Boyd Hall. You may not register for "audit only" prior to June 7, 2002.

### **Cooperative Education (Co-op) Program**

If students intend to register through the Co-op Program for a work semester, they should consult the Cooperative Education staff in B-1 Coates Hall, as they cannot schedule Industrial Co-op

(ICO) through PAWS or REGGIE. Upon verification of a Co-op job assignment, students must contact the Co-op Office **as soon as possible** for registration through that office.

Students should schedule regular courses for the upcoming term if they have applied for a Co-op position with an employer, but have not received an official notice of acceptance. If notice is not received by the date PAWS and REGGIE close to print and mail fee bills, students should pay fees via PAWS using a credit card or by returning their fee bill remittance stub and any payment due. If notice of acceptance is received after regular fees are paid, students must notify the Co-op Office immediately.

**Do not just drop your courses and cancel your registration.** The Co-op Office will drop the students' courses and, if appropriate, schedule the students in Industrial Co-op. The Office of Bursar Operations will issue refunds (as appropriate) to students who paid regular fees.

Students need to schedule classes or have the Cooperative Education staff enter Industrial Co-op by 7:00 p.m., Tuesday, April 30, or they will need to register late and will be assessed the **\$75** late registration service charge.

For additional information, contact the Co-op Office or call 225/578-1548.

### **Degree Only Registration**

You must contact your dean's office to receive instructions about how to register only to receive your degree. You cannot register for degree only through PAWS or REGGIE.

### **Delinquent Registration**

Registration after June 13 for sessions A and B requires the approval of your dean.

## **◀ ADDITIONAL INFORMATION ▶**

### **Add/Drop Fee Adjustments**

Students should be aware that adding a course which raises their enrollment to full time will generate full-time fee assessment even if they remain at full-time status only one day. Students not intending to be full time should ensure that each drop/add action reflects their desired credit load. Charges and credits created by adding and/or dropping courses via PAWS or REGGIE after you pay fees will be posted to your account daily.

### **Adding and Dropping Courses**

You may add or drop courses from the beginning of

the advance course scheduling period through the last day to add courses for sessions A and B, with one exception. Between the time fee bills are printed and you have paid your fees, you can **drop**, but not **add** courses. After you have paid, you can **add and drop** courses again.

### **Additional Enrollment Regulations**

Refer to the *LSU General Catalog* for additional regulations which govern your enrollment.

### **Adjustment to Course Offerings**

The University reserves the right to adjust course offerings by adding or dropping sections. **You should access PAWS or call REGGIE before classes begin to ascertain whether adds/drops have affected your schedule. If they have, you may make appropriate changes then.**

### **Anticipated Date of Graduation**

#### Undergraduates

You can indicate via REGGIE when you plan to graduate. There are, however, some restrictions on the semester or summer term you may select. For example, you cannot use REGGIE to indicate that you plan to graduate at the end of the current semester or summer term. REGGIE will direct you to your dean's office if you attempt to select a semester or summer term that only staff in your dean's office may enter on the data base.

#### Graduate Students

Graduate students must apply for their degrees, in person, at the Graduate School. You may, however, use REGGIE to determine whether the Graduate School has entered your anticipated date of graduation on the data base. Graduate students cannot use REGGIE to enter or update their anticipated dates of graduation. Refer to the Academic Calendar in this booklet for specific dates regarding application to receive graduate degrees.

#### School of Veterinary Medicine Students

The anticipated date of graduation is automatically

set for Veterinary Medicine students who are beginning their final year of study. You cannot update this date via REGGIE. For additional information contact the Office of the Dean, LSU School of Veterinary Medicine.

### **Application for Degree & Payment of Diploma Fee**

**Payment of the diploma fee does not constitute application to receive a degree.** If you are an undergraduate, you should apply for your degree when you check out for graduation in your dean's office the semester before you intend to graduate. If you are a graduate student, you should apply for your degree at the Graduate School the semester you intend to graduate. The deadline for graduate students to apply for master's and doctoral degrees to be awarded at the end of the 2002 summer term is June 13, 2002.

### **Audit Approval**

If you wish to audit a course, you must obtain written consent from the instructor of the course and the dean of the college offering the course. You may use PAWS or REGGIE to schedule the course; then submit the required approvals to your college office to have your enrollment changed from credit to audit. A request for a change from credit to audit must be submitted no later than June 12, 2002, for Sessions A and B.

### **Cancellation of Registration**

If you complete registration (return the remittance stub and pay any fees due or pay fees via PAWS using a credit card) by the initial payment deadline, and decide not to attend LSU, you may cancel your registration using PAWS or REGGIE or by calling your dean's office or the Office of the University Registrar.

If you do so before the first class day (June 10, 2002), your registration will be canceled and no entry regarding the semester will appear on your record or transcript. ***If you are an undergraduate, who was not enrolled during the spring semester, and decide to return to LSU, you will have to apply to reenter the university.***

If you cancel your registration, you will receive a 100% refund, minus the \$10 registration fee. If you cancel your registration for the summer term, and later decide to enroll for the term, you must register at the Office of Bursar Operations, Room 125, Thomas Boyd Hall, even though you have already paid fees.

### **Changing Senior Colleges**

Senior College students may change colleges from the time grades for the current semester or term are posted to the database until the last day to add courses the next semester or term they are registered.

### **Classroom Assignments**

Tentative classroom assignments are included in this booklet. Changes in classroom locations for the courses you have scheduled will be included on your fee bill.

### **Closed Sections**

If all spaces are filled for a section you request, but spaces are available in other sections, REGGIE will provide the call numbers and times for a maximum of three sections in which spaces are available.

### **Course Schedule**

You may use PAWS to view your schedule of classes. You may also call REGGIE to list your schedule of classes. Your fee bill, which will contain your course schedule, will be mailed to you on May 6. **When you return to campus for the summer term, bring your schedule with you. Schedules will not be reprinted.**

### **Credit Hour Maximum**

The maximum graduate and undergraduate loads for the summer term are 12 hours for the long (A) session and six hours for the short (B) session. A maximum of 12 hours may be earned in a combination of sessions. Under no circumstances can these maximums be exceeded.

### **Degree Requirements**

You are personally responsible for completing all requirements for your degree. Read the *LSU General Catalog* carefully for course information, prerequisites, corequisites, and University restrictions.

### **Dropping Courses Via PAWS and REGGIE after the Last Day to Add Courses**

You may drop courses via PAWS and REGGIE through the respective final date in each session to drop courses or resign unless you are a student in one of the groups noted below. Beginning the first class day, you cannot drop all of your courses using PAWS or REGGIE. This is, in effect, resigning from the University. If you want to resign you must begin the resignation process in your dean's office.

The following students are not permitted to drop courses via REGGIE after the last day to add each semester or term. They must report to their deans' offices to complete a drop form to drop a course.

- ! All Center for Freshman Year students
- ! College of Agriculture students who have not

earned 24 hours  
! Student athletes  
! Candidates to receive degrees at the conclusion of the current term or semester  
! Students whose dean's office has placed a hold on their registration

In addition, graduate/teaching assistants and international students with an immigration status of "O" or "2" will not be able to drop below full-time status using PAWS or REGGIE.

### **Evening School Courses**

You may schedule Evening School courses, which are listed in this *Schedule of Classes*, using PAWS or REGGIE. For information about Evening School, contact the Evening School Office, 388 Pleasant Hall, or call 225/578-5213.

### **Excused Absences for Holy Days**

As a matter of policy and commitment, Louisiana State University welcomes people of all religions. Members of the university community who wish to fulfill religious obligations not reflected in the academic calendar shall be excused from routine activity, such as employment, class assignments or examinations, by notifying the appropriate authorities (e.g., supervisor, administrator, professor). It is the responsibility of students seeking such excuse to ensure that work coverage, make-up assignments or examinations do not create unreasonable burden for the university. They are expected to anticipate conflicts well in advance and provide essential information or assistance to assure the success of regularly scheduled activity.

### **First Class Meeting**

If you fail to attend the first class meeting without prior arrangement with the department, you may be required to drop the course to make space available for other students. You have the responsibility to assure that you have been dropped from the course; otherwise, you may receive a grade of "F" in the course.

### **Graduate Students on Probation**

If you are on academic or admission probation, and pay by the initial payment deadline, you will not be able to drop or add courses to your schedule until it is determined at the conclusion of the spring semester that you are eligible to continue at LSU for the 2002 summer term. If you are not eligible to continue at the university, your registration will be canceled, and you will receive a 100% refund, minus the \$10 registration fee.

### **Graduate Students Registering Only for Thesis or Dissertation Research Courses**

Graduate students engaged in writing theses or dissertations are expected to register for research hours commensurate with the amount of University resources to be utilized that semester. There is a continuous registration requirement for doctoral

students who have passed the general examination. Regardless of where they are conducting their research/writing, these students must adhere to the regular deadline published in this booklet for scheduling research courses and paying fees, or they will be assessed the \$75 late registration service charge.

### **Majors Only Courses**

You may not use PAWS or REGGIE to schedule courses listed with the "Special Enrollment" note of "MAJORS ONLY" unless you are enrolled in an appropriate curriculum. Permission of the department is required for exceptions.

### **Pass-Fail Option**

You may not designate the "pass/fail" option using PAWS or REGGIE. To schedule a course for pass/fail grading, refer to the *LSU General Catalog* for information about required approvals. You may use the telephone to schedule the course for regular grading and report to your college office as soon as you have registered (**submitted the remittance form and pay any fees due**) to request that your enrollment be changed from regular grading to pass/fail grading. No change in the grading option may be made after the last day for adding courses for credit, June 13, 2002.

### **Permission of Department Courses**

You may not schedule a permission of department ("PERMIS OF DEPT") course using PAWS or REGGIE. Contact the department that offers the course for information. If your enrollment is approved, the department will add the course to your schedule.

### **Permission of Instructor Courses**

You can use PAWS or REGGIE to add courses listed in this booklet with a "Special Enrollment" note of "PERMIS OF INST." Your enrollment in the class will be "pending" until the instructor reviews and approves your request. If no instructor is listed, consult the departmental office. **It is your responsibility to contact the department to obtain the necessary permission to enroll.**

### **Post Billing Schedule Adjustments**

From the billing date (April 30, 2002) until payment is received, billed students may only drop courses. Once payment is received and processed, paid students may drop and add courses.

### **Prerequisites/Corequisites**

Students are expected to consult the *LSU General Catalog* to ensure that they meet all prerequisites or corequisites before they schedule courses. If you schedule a course and do not meet all prerequisites or corequisites, your enrollment in that course may be canceled.

You can use PAWS or REGGIE to add courses listed in this booklet with a "Special Enrollment" note of "PREREQ CHECKED." Your enrollment in the class will be "pending" until the department determines whether you have satisfied the prerequisites for the course. If you have, the department will approve your registration for the course. Check your status periodically, via PAWS or REGGIE, to learn whether they have approved or rejected your registration.

### Required Academic Performance

Your registration for summer 2002 depends on your successful academic performance during the current semester; your schedule is subject to cancellation if you do not meet the required standards.

### Resignation

If you complete registration and decide on the first class day or thereafter not to attend LSU, you must report to your dean's office to initiate the procedure to resign from the university.

**Resignations are part of your permanent record and appear on your transcript.**

### Service Learning Courses

Some departments include service learning components in specified sections of courses. Service Learning sections are listed in this booklet with a "Special Enrollment" note of "SVC LEARNING." You may register for these sections using PAWS or REGGIE.

For more information about service learning or service-learning courses, contact Bobbie Shaffett, program coordinator (225/578-9264 or bshaffe@lsu.edu) or Jan Shoemaker, academic coordinator (225/578-4074 or jshoema@lsu.edu). Also, you may visit the Service Learning Website at <http://www.cas.lsu.edu>.

### Time Conflicts

You may not schedule time conflicts by using PAWS or REGGIE. You should contact your college office to obtain approval for intentional time conflicts; only your college can grant permission and schedule the courses by terminal.

### Transferring from the Center for the Freshman Year to Senior Colleges

Center for Freshman Year students who meet the following criteria will be automatically transferred to their senior college at the end of the semester or term.

- ! Officially declared a major
- ! Attempted 30 semester hours
- ! Satisfy the admission requirements for the intended college and curriculum

If students do not meet the requirements above, they will be automatically transferred to the Center for Advising and Counseling.

Undecided students who have attempted 45 semester hours will be automatically transferred to the Center for Advising and Counseling at the end of the semester.

If you have earned 24 or more semester hours you may be eligible to transfer to your senior college. If eligible, see your senior college advisor by June 13. If unsure of eligibility, schedule an appointment with a Freshman Year counselor (225/578-6822) before June 13.

If you have attempted 30 or more semester hours, and have declared your major, you **MUST** transfer to a senior college before enrolling for another semester.

If you have attempted 45 or more semester hours, and are undecided, you **MUST** transfer to the Center for Advising and Counseling.

### Undergraduate Students on Probation

If you are on academic probation, and pay by the initial payment deadline, you will not be able to drop or add courses to your schedule until it is determined at the conclusion of the spring semester that you are eligible to continue at LSU for the 2002 summer term. If you are not eligible to continue at the university, your registration will be canceled, and you will receive a 100% refund, minus the \$10 registration fee.

## LSU-BATON ROUGE COMMUNITY COLLEGE CROSS-ENROLLMENT PROGRAM

The LSU-Baton Rouge Community College Cross-Enrollment Program enables students at either institution to take courses at the other institution.

**To be considered registered at LSU, you must be enrolled in at least one LSU course.**

Except for special course fees, if you participate in this program, you will pay fees at LSU for the total number of hours you schedule. You will pay special course fees directly to Baton Rouge Community College (BRCC). Copies of the BRCC schedule of classes will be available on the community college's website ([www.brcc.cc.la.us](http://www.brcc.cc.la.us)).

You may take no more than one course per semester at the freshman or sophomore level under the cross-enrollment program, provided you take at least one course at LSU. Exceptions may be made in extenuating circumstances with the approval of the dean of your college and LSU's Provost.

**You may not** enroll in BRCC mini-session or Intersession courses as part of this program. Also, you may not enroll in courses at BRCC that we offer at

LSU. Exceptions to this policy require the permission of the dean of your college.

Work taken at BRCC is recorded as transfer work in the same manner as work taken at any other recognized institution.

As an LSU student, you may make schedule changes in BRCC courses through regular LSU procedures. The request to drop a community college course is initiated in the office of your dean. The Office of the University Registrar notifies the community college of the drop.

LSU students taking BRCC courses will follow the LSU academic calendar when they schedule courses and make schedule changes.

### Procedures for Cross-Enrollment

! Beginning April 7, 2002, obtain the "Cross-Enrollment Form" **from your dean's office and get your dean's approval** for the course to be taken at BRCC.

! Submit your "Cross-Enrollment Form" to the Office of the University Registrar as early as possible, but no later than April 30, 2002.

! The Office of the University Registrar will submit the forms to BRCC for scheduling of courses.

! The Office of the University Registrar will notify each student who submitted a "Cross-Enrollment Form" whether the BRCC was able to schedule the students in the courses selected.

### Parking at Baton Rouge Community College

The Baton Rouge Community College will honor LSU parking hang tags. There is no shuttle bus service to the community college.

## LSU-SOUTHERN UNIVERSITY CROSS-REGISTRATION PROGRAM

The LSU-Southern University cross-registration program enables students at either institution to take courses at the other institution. **To be considered registered at LSU, you must be enrolled in at least one LSU course.** If you participate in this program, you will pay fees at LSU for the total number of hours you schedule. No additional fees are charged. This fee assessment, however, does not apply to courses

taught by correspondence.

Copies of the Southern University (SU) *Schedule of Classes* will be available in the offices of the academic deans and the Office of the University Registrar.

**You may not enroll** in SU mini-session or Intersession courses as part of this program. Also, you may take no more than one course per semester or summer term under the cross-registration program, provided you take at least one course at LSU. The dean of your college may make an exception to this rule if you are enrolled in a formal cooperative degree program between LSU and SU or in Navy ROTC. Exceptions may also be made in extenuating circumstances, with approval of the dean of your college and LSU Provost's Office.

Work taken at SU is recorded as transfer work in the same manner as work taken at any other recognized institution.

As an LSU student, you may make schedule changes in SU courses through regular LSU procedures. The request to drop an SU course is initiated in the office of your dean. The Office of the University Registrar notifies SU of the drop.

### Procedures for Cross-Registration

! Beginning April 7, 2002, obtain the "Cross-Registration Form" **from your dean's office and get your dean's approval** for the course to be taken at SU.

! If SU courses are to appear on students' fee bills, students must submit cross-registration forms to the Office of the University Registrar by April 30, 2002. The forms will be accepted through June 13.

! The Office of the University Registrar will submit the forms to SU for scheduling of courses.

! The Office of the University Registrar will notify each student who submitted a "Cross-Registration Form" whether SU was able to schedule the students in the courses selected.

## FEES, FINANCES AND FINANCIAL AID

### ◀ COMPLETION OF REGISTRATION ▶

### Account Balance, Receipts and Confirmation of Registration

You will be able to obtain your balance due, via PAWS or REGGIE, after fee bills are printed on May 6, 2002. To obtain your balance via PAWS, select "Fee Bill"

under the Registration Services heading on your PAWS Desktop.

Once payments are received, receipts are not mailed. You are strongly encouraged to use PAWS to ensure that your payment was received, and you are registered. To do so, select "Billing Statement" under the Financial Services heading on your PAWS Desktop.

You can also call REGGIE and select the account balance function to ensure payment has been received and you are considered registered. To check your registration status, please do not simply list your courses using REGGIE, as this listing is not an indication that you are registered. You have completed registration only when you have paid fees via PAWS or your stub and any payment due have been received and posted to the Advance Billing System.

After the last date to add each semester or term, the Office of Bursar Operations mails each registered student a statement of account that lists all registration charges and payments as of the date the statement is printed.

### **Auditing Fee Assessments & Payments**

All fee assessments and payments will be audited. Additional charges or refunds will be processed through the Office of Bursar Operations.

#### **The Fee Bill**

**If you schedule courses by 7:00 p.m., April 30, your fee bill will be mailed to your home address** (local mailing or local residence if there is no home address on file). **The top two-thirds of your fee bill is shaded purple.** Do not confuse your fee bill with the Bursar's Office monthly statements, which are not shaded. Your fee bill will include the following information.

- ! Course schedule
- ! Statement of all charges with phone numbers of offices to contact if you have questions regarding the charges
- ! Statement of all credits including awarded and accepted student aid
- ! Amount due
- ! Date payment is due
- ! Remittance stub
- ! Self-addressed envelope in which the remittance stub is to be returned

**NOTE:** *Summer term fee bills are mailed only to students who schedule courses by 7:00 p.m., April 30. Fee bills for summer are not mailed at any other time.*

#### **Billing Address**

During the advance scheduling of courses period, each time that you call the system, your address will be spoken. The address you will hear will be the first one found on the database in the following

priority order: Home, Local Mailing, or Local Residence. ***THIS IS THE ADDRESS TO WHICH YOUR FEE BILL WILL BE MAILED. IT IS YOUR RESPONSIBILITY TO KEEP YOUR BILLING ADDRESS UP TO DATE.*** If the address you hear is not correct, you may change it using PAWS, in your dean's office or the Office of the University Registrar.

**NOTE:** **It is your responsibility to pay even if you do not receive a fee bill.** You may view your fee bill information by accessing the fee bill link under "Registration Services" on your PAWS Desktop. You may also contact the Office of Bursar Operations if you do not receive your fee bill by May 13, 2002.

### **Fee Payment, Registration Holds and Letters in Lieu of Bills**

#### Continuing Students Who are Mailed Fee Bills

If you schedule by 7:00 p.m., April 30 and do not have a hold on your registration, a fee bill will be mailed to your home address on May 6. You have two options to pay your fees. First, you can pay via PAWS using a credit card. Second, you can mail your remittance stub (bottom portion of the fee bill), with any payment due (check or money order), in the pre-addressed envelope included with your bill. **Your remittance stub and any payment due must be received on or before May 28, 2002.** You are strongly encouraged to mail your remittance stub and payment due no later than ten calendar days prior to May 28, 2002.

If you do not pay fees via PAWS or mail by May 28, your schedule will be purged and you will be assessed the **\$75** late registration service charge should you register at a later date.

#### Continuing Students Who are Mailed Letters in Lieu of Fee Bills

If you schedule courses prior to April 28 and have a hold on your registration, a letter in lieu of a fee bill will be mailed to your home address on May 6. Carefully follow the directions in the letter that explain who to contact to remove the hold and complete registration.

If you receive a letter in lieu of a fee bill, **you will not be mailed a fee bill** when you remove the hold. If you receive a letter in lieu of a fee bill, you have until 5:00 p.m., Friday, June 7 to remove the hold and pay fees. You may pay fees via PAWS using a credit card or in the lobby of Thomas Boyd Hall.

If you do not pay fees by that deadline, your course schedule will be purged, and you will be assessed the **\$75** late registration service charge should you register at a later date.

#### New, Re-entry and Transfer Students Who are Mailed Fee Bills

If you are a new, re-entry or transfer student who schedules courses by 7:00 p.m., April 28, you will be mailed a fee bill unless there is a hold on your

registration. You have two options to pay your fees. First, you can pay via PAWS using a credit card. Second, you can mail your remittance stub (bottom portion of the fee bill), with any payment due (check or money order), in the pre-addressed envelope included with your bill. **Your remittance stub and any payment due must be received on or before May 28, 2002.** You are strongly encouraged to mail your remittance stub and payment due no later than ten calendar days prior to May 28, 2002.

If you do not pay fees via PAWS or mail by May 28, your schedule will be purged. If you rebuild your schedule and complete registration (via PAWS or in the lobby of Thomas Boyd Hall) by 5:00 p.m., Friday, June 7, you will not be assessed the **\$75** late registration service charge.

New, Re-entry and Transfer Students  
Who are Mailed Letters in Lieu of Fee Bills

If you are a new, re-entry or transfer student and have a hold placed on your registration after you schedule courses, you will receive a letter in lieu of a fee bill. You should contact the office specified in the letter to remove the hold. You must remove the hold and pay fees by 5:00 p.m., Friday, June 7, or your course schedule will be purged and you will be assessed the **\$75** late registration service charge should you register at a later date.

### Late Registration

If you do not register (**return the remittance form and pay any fees due**) by mail, or pay fees via PAWS using a credit card, you will complete registration at the Office of Bursar Operations, Room 125, Thomas Boyd Hall. You must schedule courses and additional services before reporting to the Office of Bursar Operations.

### Late Registration Service Charge

**If you are a continuing student, and do not pay your fees via PAWS using a credit card, or return the remittance stub and any fees due by the initial payment deadline, May 28, 2002, your courses will be purged, and you will be assessed the \$75 late registration service charge.**

If you have applied for financial aid, and the aid has not been awarded and accepted at the time payment is due, you must pay your fees by the due date or you will be assessed the service charge. Continuing graduate assistants, who have not been appointed at the time payment is due, must pay their fees by the due date or they will be assessed the service charge.

### Mail Payment at Least Ten Days Before the Due Date

Remittance stubs and any payments due must be **RECEIVED (NOT POSTMARKED) BY THE DUE DATE.**

You are **strongly encouraged** to mail your payment with your remittance stub ten calendar days prior to the payment deadline date. Therefore, if you have a balance due, are anticipating that your balance

will change to zero, and the balance has not changed by ten days prior to the payment deadline date, you should mail your remittance stub and the payment due. You must not return the fee bill without the amount due.

### No-Pay Purges

The university will purge students' classes from their schedules if they do not complete registration (their remittance forms and any fees due must be received) within the time lines outlined below.

- ! If they schedule classes between April 7 and April 30, they must complete registration (pay fees) by May 28.
- ! If they schedule classes between May 7 and June 7 they must complete registration (pay fees) by June 7.
- ! If they schedule classes the first three class days of the summer term, they must complete registration (pay fees) by June 13.

### Overpayments

Refunds of overpayments will automatically be mailed to the student's billing address prior to mid-semester if the overpayment exceeds \$25. Overpayments of less than \$25 will be retained in the account and applied against future charges unless a refund is specifically requested by the student.

### Partial Payments

Unless you have selected to defer part of your fees, partial payments are not permitted. You are **strongly** encouraged to access PAWS and check your "fee bill status" or call REGGIE after paying your fees to ensure that you are registered.

You must be paid in full to be considered registered. **If you make a partial payment using a credit card, or return your remittance stub with less than the amount due, the funds received will be deposited to your account, but you will not be considered registered.**

**If the remainder of the total amount due is not received by May 28, 2002, your courses will be purged. If you choose to complete registration, you will pay fees via PAWS using a credit card or in the lobby of Thomas Boyd Hall and will be assessed the \$75 late registration service charge.**

### Paying Fees By Credit Card

You may pay your fees via PAWS by using a Master Card or Visa credit card. You will find the fee bill link under "Registration Services" on your PAWS Desktop. Please be aware that you will be charged a 2.5% processing fee if you pay by credit card.

### Zero Balance Fee Bills

If you receive your fee bill and the balance is zero, you

are still required to complete registration. You have two options to do so.

- ! You may indicate, via PAWS, by May 28 that you are completing registration. You will find the fee bill link under "Registration Services" on your PAWS Desktop.
- ! You may return the fee bill remittance stub so that it is **RECEIVED** by May 28.

**◀ SPECIAL PAYMENT OPTIONS ▶**

### Deferred Payment Plan

The University offers a deferred payment plan as a payment option. Eligible students are allowed to defer up to one-half (1/2) of their current semester charges.

Payment of one-half (1/2) of current semester charges plus any account balance and the remittance stub must be received by due date.

#### Eligibility

All students are eligible for their initial deferred payment plan. Any future deferred payments are granted based on the individual credit history established with the University. Students who default on a deferred payment plan are ineligible to receive a deferment for one calendar year.

#### Terms

- ! A \$15 service charge will be assessed on all deferments.
- ! If payments are not received by the Office of Bursar Operations on or before the tenth (10th) calendar day following the scheduled due date, a five percent (5%) late fee will be assessed.
- ! If the amount due plus the 5% late fee is not received within fourteen calendar days after notification of delinquency, the University will withhold grades for the current semester, withhold transcripts and prevent completion of registration for a future semester until the amount due plus a **\$75** financial reinstatement fee is paid.
- ! In the event of withdrawal from the University before complete payment has been made, any credit or refunds due the student as provided for in accordance with current University regulations will be applied to the student's account. The balance must be paid.
- ! All **LOANS and GRANTS** made through or in conjunction with the University will be applied to the student's account.
- ! If necessary for LSU to commence legal action against the student to enforce the terms of this agreement, and the student's account is turned over by the University to an attorney-at-law for

collection, by suit or otherwise, the student will be obligated to pay all court costs and legal interest from the date the debts are due (pursuant to LSA-CC article 2000) and \$100 or a sum equal to thirty-three and one third percent (33 1/3%) additional of the total amount due and owing as attorney fees, whichever is higher.

#### Deferred Due Dates

Summer Term 2002 due dates are as follows:

DATE DUE	AMOUNT DUE
July 1, 2002	1/2 of total deferred
August 1, 2002	1/2 of total deferred

#### Payments

Payments are to be paid at  
Office of Bursar Operations  
125 Thomas Boyd Hall

or  
mailed to

LSU - Bursar Operations  
P.O. Box 61828  
New Orleans, LA 70161-1828

#### Selecting this Payment Option via PAWS or REGGIE

To defer one-half of your current semester charges, follow the instructions on the PAWS Registration Worksheet or Telephone Registration Worksheet and select the Deferred Payment Plan payment option.

You must make this selection each semester.

### LSU Employee Payroll Deduction

Graduate assistants and regular university employees may elect to pay their fees through payroll deduction. To pay fees through payroll deduction students must follow the procedure listed below.

- ! Using PAWS or REGGIE, select payroll deduction as a payment option. **This must be done each semester.**
- ! Have a payroll deduction authorization form on file in the Office of Bursar Operations (Room 125, Thomas Boyd Hall).
- ! Have a current, pending or approved payroll appointment.

**NOTE:** Student employees (paid on student wage) are not eligible for payroll deduction.

Graduate assistants and employees who make this selection must either return their remittance stubs (even if they have a zero balance) or indicate via PAWS, by the due date, that they are completing registration. Once fee bills are printed, students may not delete payroll deductions via REGGIE. Third party payroll deductions cannot be selected

via REGGIE. The payroll deduction option may be selected until remittance stubs are returned.

### LSU Employee Tuition Exemption

Full-time, non-faculty employees with at least one year of service may apply through their departments to receive the employee tuition exemption (see LSU Policy Statement 12 for qualification/application information). If employees have approved LSU Employee Exemption forms on file in the Office of Human Resource Management (HRM) by April 25, the exemption will be reflected on their fee bill. If approved forms are not on file at that time, employees will be responsible for payment of all fees that appear on the fee bill. The University must receive your fee bill stub and payment, or you must pay via PAWS using a credit card by May 28 to complete registration. If you fail to complete registration by that date, your courses will be purged, and you will be required to pay the **\$75** late registration charge. Call HRM at 225/578-8200 if you are late in requesting the exemption or have questions.

### Over 65 Fee Exemption

If you are age 65 or older before the first day of classes, you are eligible for a fee exemption. This exemption covers all registration fees. To qualify for the exemption, continuing and admitted students who have not previously validated that they are age 65 or older must complete the following steps:

- ! By April 30, provide the Office of the University Registrar with proof of age (e.g., driver's license, birth certificate, etc.).
- ! Return the remittance stub received with your fee bill, by May 28.
- ! Report to class the first class day.

If you do not provide proof of age by April 30, you will be responsible for payment of all fees that appear on your fee bill. Your remittance stub must be received by May 28, or your course(s) will be purged and you will be required to pay the **\$75** late registration service charge if you register after that date. Please call the Office of the University Registrar at 225/578-1696 for additional information.

### Sponsors

Sponsors are trusts, government agencies, or other organizations who are willing to pay all or a portion of a student's educational expenses. When prior written notice of a sponsor's intent to support a student has been received, the University will bill the sponsor for approved charges rather than require payment from the student.

Transfer of your charges to a sponsor's account will be permitted only when specifically authorized in writing by the sponsor. Charges rejected or unpaid by the sponsors for any reason are the responsibility of the student along with possible late payment charges. Questions regarding sponsor billing should be directed to the Office of

Bursar Operations.

**SUMMER TERM FEES**

***The LSU Board of Supervisors may modify fees, board, and/or housing rates at any time without advance notice.***

In 1998, LSU students voted to assess themselves a technology fee to improve the campus technology infrastructure. The technology fee is \$5 per semester credit hour. The maximum amount students are assessed in one semester or a summer term is \$75. Auditors are assessed the technology fee.

**Special Notice to  
Financial Aid Recipients**

It is most important for you to complete the financial aid application process early enough each year so that the amount of aid you have accepted will appear on your fee bill as an anticipated financial credit. Otherwise, you will be responsible for the payment of your fees when you receive your bill. If payment is not received by the deadline indicated on your bill, your courses will be purged and you will be required to pay the **\$75** late registration service charge.

For Stafford Loan and Unsubsidized Stafford Loan eligibility in a summer term, undergraduate students must enroll in a minimum of three credit hours in Sessions A and/or B.

Most major lenders transmit Federal Stafford, Unsubsidized Stafford and PLUS loan funds electronically to the University to be credited directly to your student account. This process is known as **ELECTRONIC FUNDS TRANSFER (EFT)**. Not all lenders use this process, however, but rather issue individual loan checks which must be signed by the student (or parent in the case of a PLUS loan) before applying the funds to your account. Your financial aid award letter will provide you with detailed information regarding the process your particular lender utilizes in the delivery of these loan funds. Please be aware that the University will inform you via e-mail when we post financial aid to your account.

**Special Notice to  
Scholarship Recipients**

Scholarships and fee exemptions awarded for the summer will be applied directly to your student account provided you meet the specific program requirements and have scheduled the number of hours required.

Please contact the Office of Student Aid & Scholarships, Room 208 Coates Hall, 225/578-3087, for additional information regarding fee bill procedures for the specific scholarship you hold.

**Special Notice to  
TOPS Recipients**

TOPS awards are not available for summer term enrollment.

**Disbursement of  
Financial Aid Balance**

If the amount of your financial aid is greater than the amount owed to the University, you can have the funds directly deposited to your bank account (see Direct Deposit section below). If you do not use direct deposit, you will be issued a check for the balance. Financial aid balance checks will be mailed beginning the first week of class and continue as credit balances are posted to the student's account.

Students may cancel all or part of student loan funds by returning the check to the Office of Student Aid & Scholarships within 30 days of the first class day.

Your check will be mailed to the first address found on the LSU Directory database in the following priority order-- local mailing, home. (**Note:** mail is not delivered to on-campus residential housing; however, you may rent a P.O. Box at the U.S. Post Office located in the LSU Union).

### **Direct Deposit**

You may participate in the direct deposit of payroll, student financial aid, credit balance refunds and other non-payroll University reimbursements. For additional information, select "Financial Services" from your PAWS desktop.

Direct deposit files are updated at 4:00 p.m., daily. Funds received by the Office of Bursar Operations should be deposited into your account within two business days after they are received.

### **Financial Aid, Resignations and Unofficial Withdrawals**

Students resigning from the University without completing 60% of the enrollment period will be required to return part or all of the federal financial aid they received. This provision also applies to students who "unofficially withdraw" or stop attending classes.

Students for whom proof of attendance cannot be established for at least 60% of the enrollment period will have charges placed on their student accounts for the appropriate amounts. The 60% completion point is calculated by applying that percentage to the number of days in the enrollment period (excluding scheduled breaks of five or more days).

Federal financial aid recipients officially resigning from the University may be entitled to a partial refund of tuition and certain fees based on the date of resignation. A complete refund schedule for federal financial aid recipients is available in the Office of Student Aid and Scholarships and the Office of the University Registrar.

### **Disbursement of Other Checks**

Loan checks issued by lenders not participating in the Electronic Funds Transfer (EFT) process will be available beginning on June 7 at the Office of

Bursar Operations, Room 125, Thomas Boyd Hall. Checks for other programs such as National Merit/Achievement Scholarships, etc., will be available upon their receipt.

## **◀ DIPLOMA FEES ▶**

### Undergraduates

If you are an undergraduate and indicate via REGGIE or in your dean's office that you plan to graduate at the end of the upcoming semester or term, you will automatically be assessed the \$30 diploma fee. If you pay the diploma fee and decide not to graduate, you will receive a full credit for the fee provided you indicate by July 22 (in your dean's office) that you are not graduating.

If you do not inform the university by July 22 that you are not graduating, you will have the difference between the diploma fee and duplicate diploma fee (\$10) credited to your account. The next time you indicate that you are going to graduate, you will be assessed the full diploma fee.

### Graduate Students

If you have informed the Graduate School that you intend to graduate at the end of the upcoming semester or term, prior to the date fee bills are mailed, your diploma and (if applicable) processing fee will be assessed and printed on your fee bill. If you apply for your degree by the application deadline, but after fee bills are mailed, you will be billed at a later date. Refer to the Academic Calendar in this booklet for specific dates regarding application to receive graduate degrees.

### Refunds

If you notify the Graduate School after that date, you will receive a full credit for the processing fee. You will have the difference between the diploma fee and duplicate diploma fee credited to your account. The next time that you indicate you plan to graduate, you will be assessed the full diploma and processing fee.

The card is used to gain access to many events on campus, to check out library materials, for Tiger Cash and meal plans, and for access into certain facilities on campus.

New students are issued their first Tiger Card at no cost. The Tiger Card is the property of the University

and must be retained for each subsequent term of enrollment. The card should be carried by the student at all times and must be presented upon request of any University official. The card is nontransferable. Students who alter or intentionally deface a Tiger Card, who use the card of another, or who allow others to use their Tiger Cards may be subject to University discipline and confiscation of the card.

### Production of Tiger Cards

Tiger Cards are made in Room 221 of the LSU Union, 7:15 a.m.- 9:00 p.m., Monday through Friday, and 12:00 noon - 6:00 p.m., Saturday and Sunday. Incoming freshmen may mail in a recent photo to be used on their Tiger Card. The picture must be a color head-and-shoulders photograph facing the camera with a plain background (no sunglasses, hats, funny faces, etc.).

A wallet-size (2.5" by 3.5") or larger portrait photo is usually acceptable. The student's name and social security number should be printed lightly on the back of the photo. ### Lost or Stolen Cards

Students who do not report lost or stolen cards in a timely manner may be held responsible for any charges incurred on the cards. A charge is assessed to replace a lost, stolen, or defaced Tiger Card, even if the student is re-enrolling after an interruption of study. If a replacement card is issued, the original card is no longer valid and cannot be made valid.

### Additional Information

For more information, contact the Tiger Card Office at 578-4300 or 578-7008; PO Box 25052, BR, LA 70894; or visit [www.TigerCard.lsu.edu](http://www.TigerCard.lsu.edu).

## ◀ IMMUNIZATION POLICY ▶

The State of Louisiana **requires** all students born after 1956 and attending state colleges and universities to furnish proof of the following immunizations: two (2) doses of measles vaccine, at least one (1) dose each of rubella (German Measles) and mumps vaccine, and a tetanus-diphtheria booster.

Students are ineligible to pay university fees and attend classes until they comply with this requirement. A student's classes may be purged

because of non-compliance with deadlines established by the Office of the University Registrar.

Measles Requirement: Two (2) doses of live vaccine given at any age, except that the vaccine must have been given on or after the first birthday, in 1968 or later, and without Immune Globulin. A second dose of measles vaccine must meet this same requirement, but should not have been given within 30 days of the first dose. A history of physician-diagnosed measles is acceptable for establishing immunity. Blood tests which confirm positive antibody levels to both types of measles are also acceptable evidence of immunity.

Tetanus-Diphtheria Requirement: A booster dose of vaccine given within the past ten (10) years after having received a primary series earlier in life.

Please visit the Student Health Center, corner of West Chimes and Infirmary Road, the website at <http://students.lsu.edu/shc>, or call 225/578-6271, if additional information is needed.

### ◀ SELECTIVE SERVICE ▶

Louisiana Law requires that the University ensure that all male students ages 18 through 25 register with the Selective Service System. Male students in this age group who have not registered with Selective Service cannot schedule courses for intersession or the summer term, or obtain a transcript. Students who need to register with the Selective Service System can do so using the Internet at <http://www.sss.gov>. For additional information, contact the Office of the University Registrar at [registrar@lsu.edu](mailto:registrar@lsu.edu) or call 225/578-3977.

### ◀ CAMPUS CRIME PREVENTION ▶ GUIDE

***This information is provided pursuant to the Student-Right-To-Know Act also known as the Jeanne Clery Act.***

Louisiana State University's (LSU) annual security report includes statistics for the previous three years concerning reported crime that occurred on campus; in certain off-campus buildings owned or controlled by LSU; and on public property within or immediately adjacent to and accessible from the campus. The report also includes institutional policies concerning campus security, such as policies concerning alcohol and drug use, crime prevention, the reporting of crimes, sexual assault and other matters. You can obtain a copy of this report by contacting the LSU Police Department or by accessing the following

website: <http://appl002>.

[lsu.edu/pubsafe/psafety.nsf/homepage](http://lsu.edu/pubsafe/psafety.nsf/homepage).

***Long before crime became the national issue it is today, LSU was taking steps to ensure the safety of its campus community.***

LSU did not start taking steps to make the campus safe just because someone started passing laws. The University has been taking these steps for more than 20 years.

Although LSU does not experience serious crimes often, it is a large, urban university campus on which serious crimes do occur. In any given semester, LSU has some 31,000 students and 4,400 full and part-time employees on campus - more than the size of most small cities. In addition, LSU is surrounded on three sides by the city of Baton Rouge- the capital of Louisiana and a leading petrochemical, financial and industrial city with a metropolitan area population of more than 500,000.

#### ***Safety Policies***

The University makes every effort to ensure that the campus facilities, buildings and grounds are designed and maintained in such a way as to promote safety and reduce criminal opportunity. Particular attention is paid to the design of landscaping and exterior lighting.

#### ***Use of University Facilities***

With the exception of events that are open to the general public and advertised as such, the University's facilities and programs are generally reserved for accomplishing the objectives and programs of the University. Visitors and non-University affiliated groups seeking to utilize University facilities are expected to make prior arrangements with the appropriate University office. Authorization to use the LSU facilities is determined by University regulations then in effect. Visitors and guests to LSU residence halls must be registered by their hosts while in residence halls.

#### ***Residence Halls***

Procedures to ensure safety within residence halls include 24-hour-a-day manned desks in each building or complex. Women's residence halls have limited access through main doors only. Procedures for guest visitation are established by the residents of each building in accordance with rules printed in Living in LSU Residence Halls, available at hall desks. Residence halls are equipped with fire safety equipment that includes smoke detectors and/or heat sensors, that activate the central fire alarm system. In the residence halls, emergency exits are equipped with alarms that sound whenever opened. Residence hall staff are trained to maintain security and to summon police, fire, medical and maintenance assistance when needed. Criminal activity observed within or in the vicinity of buildings is reported to the LSU Police Department. Firearms, explosives, fireworks, or other hazardous materials are not permitted in or around residence halls or University apartments.

### **Academic and Administrative Buildings**

Academic and administrative buildings are secured by Facility Services personnel. Hours of security may vary from building to building, depending on use. Like the residence halls, these buildings are equipped with fire safety equipment that includes smoke detectors and/or heat sensors that activate the central fire alarm system. Weekend and after-hours use of academic and administrative buildings may be scheduled through the Office of the University Registrar.

### **Weapons Policy**

The use of weapons by University police personnel is governed by state law and departmental regulation. The use or possession of firearms or other weapons by students, employees or visitors while on campus is prohibited.

### **Sales or Use of Illegal Drugs**

LSU complies with all federal and state laws which regulate the sale and use of alcohol. The University neither condones nor shields from prosecution any individual found in violation of the Louisiana Alcoholic Beverage Control laws. The University does not authorize alcoholic beverages on campus for sanctioned events complying with state law. Possession or consumption of alcoholic beverages by those under 21 years of age is prohibited by law.

### **Sexual Assault Policy**

On college campuses, acquaintance and date rape are more apt to occur than rape by strangers. Research on college women indicates as many as 20 percent of the female population may at some time be sexually coerced by acquaintances. While some students may not think of forced sexual relations as rape, such action constitutes a serious crime and is felony under Section 14:42 of the Louisiana Revised Statutes.

### **If You Are the Victim of Sexual Assault**

Contact a friend to help you collect your thoughts and focus on your needs. If the assault occurred on campus, call the LSU Police Dept. (911). If the assault occurred off campus, call the Baton Rouge Police Department or the East Baton Rouge Sheriff's Office (911) or the Stop Rape Crisis Center at 383-7273.

### **Obtain Medical Care**

Quickly obtain medical care from the LSU Health Center or from a hospital emergency room. Do not bathe, shower, douche, or change clothes before seeking medical attention. The treatment for rape may require an examination at a designated hospital, testing for sexually transmitted diseases, medication to prevent pregnancy and documenting evidence so you can decide whether to pursue prosecution.

### **Assist in the Investigation**

It is a personal decision whether to report a rape or sexual assault to police, but you are strongly encouraged to do so. The primary concern of the police is your safety and well-being; their second and third concerns are apprehending the assailant and preserving the evidence of the crime. If you decide not to report an assault, you are encouraged to call or to have a friend call the police, the Stop Rape Crisis Center or the office of the Dean

of Students to report the crime anonymously. The information provided will be helpful in tracking the number and nature of assaults on campus, but it is not helpful in furthering an investigation or apprehension.

### **Seek Counseling**

Whether or not you report the assault or pursue prosecution, you should consult a trained counselor for help in dealing with the emotional aftermath of a rape. Trained counselors are available at the Student Health Center and the Stop Rape Crisis Center. Talking with a counselor or psychologist in no way compels a victim to take further action.

### **Important Options/Student Health Services**

The Student Health Center is available to victims of a sexual assault. Legal evidence may be collected by the Health Center medical staff and counseling is available. A victim may be examined by a physician for injuries, tested and treated for sexually transmitted diseases and tested for pregnancy.

The Student Health Center is open Monday through Friday from 8 a.m. until 5 p.m. and on Saturdays from 8 a.m. until 11:30 a.m. All services are confidential. Call 578-6271.

### **Campus Judicial System**

A victim may choose to pursue action through the campus judicial system if the assault was committed by another student. The Dean of Students' office (225) 578-4307, is available to advise victims of their rights under the Code of Student Conduct. Even if you choose not to pursue disciplinary action, you are encouraged to report your experience to the Dean of Students' office.

In any campus disciplinary action, the accuser and the accused are entitled to the same opportunities to have others present during the proceedings. Both the accuser and the accused shall be informed of the outcome of any campus disciplinary proceeding alleging a sexual assault.

### **Office of Student Services**

Through various programs in the Division of Student Life and Academic Services, students are provided educational and support programs in the area of sexual assault, as well as counseling, mental health and support services for the victims of sexual assault or rape. Educational, counseling and support programs are available through the Student Health Center, the Department of Residential Life and the Office of Greek Affairs. Through the Dean of Students and Residential Life, assistance is available to students offering options for or assistance in changing academic and living situations because of the threat of, or having been a victim, of sexual assault.

Personnel in the Dean of Students' office, Student Health Center and Residential Life are available to help victims identify their options following an assault and to notify the proper law enforcement authorities, including University police. In all situations involving sexual assault or rape, victims are encouraged to report the

incident and seek further assistance.

**Safety Programs  
Campus Transit**

To help protect students who need to reach a particular destination on campus after dark, LSU Student Government established the Campus Transit Service, which is run and staffed by the Office of Parking, Traffic and Transportation. Carefully selected staff members offer free rides, on campus only, from 6 p.m. until 1:00 a.m., Sundays through Thursdays, when school is in session. Call (225) 578-5555.

**Lighting**

The University has allotted an average of \$45,000 per year for lighting improvements and enhancements. A group of administrators and students examine the campus several times a year and determines which areas require lighting repairs and which areas need additional illumination.

**Hall Watch**

Similar to the Neighborhood Watch programs in residential communities, Hall Watch programs rely upon networks of students reporting suspicious activities within their residence halls. LSU instituted the program in fall 1989.

**Campus Call Boxes**

LSU has a system of 16 cellular phones placed in major pedestrian walkways. These phones are designed to be used for emergency purposes only. The emergency phone will only ring the LSU Police Department, which mans the system around the clock. All you have to do to operate one of the phones is open the call box and press the button for instant contact with a member of the LSU Police. In addition to the cellular emergency phones there are also tamper resistant phones near the entrances to most dorms and many other campus buildings which allow you to make an on campus call or contact the LSU Police by dialing 911.

**CrimeStoppers**

Patterned after Baton Rouge Crime Stoppers and similar nationwide programs, LSU CrimeStoppers serves the community as an informant interaction system whereby the public is invited and encouraged to provide valuable information that might lead to the arrest and possible conviction of criminals.

Participants who call the LSU CrimeStoppers hotline at 578-CRIME (2746) remain anonymous.

**REPORTING CRIME OR EMERGENCIES**

If you are involved in an emergency situation, are the victim of a crime, or witness any criminal activity, you are urged to notify the LSU Police Department as soon as possible by dialing 911 or 578-3231 or using one of the campus call boxes. Off-campus crimes may be reported to the Baton Rouge Police Department or the East Baton Rouge Parish Sheriff's office. Both of these law enforcement agencies can be reached by dialing 911. You can also fill out an online crime report.

The LSU Police Department is located in the University Public Safety Building on South Stadium Road. The department operates 24 hours a day and employs 70 commissioned police officers along with three non-sworn support staff. Police officers must successfully complete 360 hours of basic training at an approved police academy. The training curriculum is as mandated by the Louisiana Police Officer Standards and Training Commission and includes such topics as criminal law and procedures, patrol and investigation practices and techniques, firearms, first aid and physical training. An array of in-service training programs is presents to update and enhance the professional skills of the officers.

University police officers are vested with all of the powers, authority and responsibilities of any police officer of the state on property owned by the University, including adjacent public streets. Police authority is derived from Section 17:1805 of the Louisiana Revised Statutes. The Police Department cooperates fully with federal, state and local law enforcement agencies in cases which involve both on-campus and off-campus jurisdiction or when the resources of another agency can be used to facilitate the resolution of an investigation.

The Office of Public Safety and Risk Management is charged with the responsibility for security, safety, law enforcement and emergency services and is composed of the LSU Police Department, Office of Occupational and Environmental Safety, Office of Risk Management and the Office of Parking, Traffic, and Transportation.

**Crime Statistics**

Continual efforts are made to inform the LSU community of matters that affect their personal safety and well-being. Regular reports regarding current problems and reported crimes are published in the student newspaper, The Reveille, and in weekly faculty-staff newspaper, LSU Today. The LSU Police Department, in conjunction with the Department of Residential Life and the Division of Student Life and Academic Services, offers programs on personal

safety, security of property, crisis intervention and crime prevention. Students and parents are also provided with public safety information during orientation programs.

The LSU Police Department has reported crime statistics to the Federal Bureau of Investigation, National Crime Information Center since 1977. This report is publicized annually in the Reveille and by the local media. University police blotters and arrest reports are available to the media daily and formal press releases are issued to address serious or unique problems which may arise on campus. The University believes that an informed public is a safer public. For more information on the LSU Police Department, or to check the daily blotter visit our website at [www.lsu.edu/police](http://www.lsu.edu/police).

LSU's crime statistics are published in accordance with the 1998 provisions of the Student Right-To-Know and Campus Security Act (Jeanne Clery Act) and can be found on the LSU Police Website ([www.lsu.edu/police](http://www.lsu.edu/police) - select Crime Info, then Crime Statistics). The information can also be found at the U.S. Department of Education, Office of Post secondary Education Website <http://ope.ed.gov/security>). This site will allow you to search and compare statistics with other institutions. You may also contact the LSU Police Department (225/578-3231) for a printed copy of the information.

**◀ LSU SUBSTANCE ABUSE/ DRUG ABUSE POLICY ▶**

LSU is committed to maintaining an environment which supports the research, teaching, and service mission of the University. The illegal or abusive use of drugs or alcohol by any member of the University community interferes with the accomplishment of this mission. Louisiana law prohibits the consumption, possession, distribution, possession with intent to distribute, or manufacture of drugs described as controlled dangerous substances in the *Louisiana*

*Revised Statutes 40:964* and the illegal possession and/or consumption of alcohol.

**Student Education, Prevention, Counseling, and Rehabilitation**

Alcohol and drug abuse result in undesirable physical and psychological consequences which are described in the following table. LSU provides prevention education about alcohol and other drugs to members of the student body through the following units:

- ! educational programs of the Student Health Center on substance abuse, chemical dependency, dysfunctional families, co-dependency, and sources of help at the University and in the community.
- ! a resource library maintained at the Student Health Center.
- ! a peer education program available through the Student Health Center.
- ! academic courses offered through the Department of Kinesiology, the School of Social Work, and the Division of Continuing Education.

Additionally, special campus-wide educational events--including "Substance Abuse Awareness Week," the "Great American Smokeout," and others--are offered throughout the academic year.

Counseling and support services are available at the LSU Student Health Center for all full-time and part-time students and non-student spouses of students who are experiencing alcohol and other drug problems. Individual and group therapy is provided for adult children of dysfunctional families, and "Twelve Step" support groups are offered for students recovering from alcohol and drug abuse. Students who have substance abuse problems which require in-patient or specialized out-patient drug treatment are referred by the Student Health Center counselors to agencies outside the University. Consideration is given to the financial ability of a student when a referral is made.

**Employee Education, Prevention, and Counseling**

Through its Employee Assistance Program, in conjunction with CPC Meadow Wood, LSU refers employees with behavioral problems, including substance abuse, to an off-campus facility. Self-referral is available to employees on a confidential basis by telephoning CPC Meadow Wood at 766-5883. Initial diagnosis and screening is free. Subsequent sessions are the financial obligation of the employee and are covered by the State Employees Group Benefits Program and most HMOs for those who are members. "Twelve Step" groups for employees recovering from substance abuse problems are available on campus and in the community.

**Conduct Prohibited by the University**

Students and employees are responsible for knowing and abiding by the provisions of Louisiana law and federal law that make it a crime to possess, consume, possess with intent to distribute, dispense, or manufacture drugs, including alcohol, except as provided for by law. Any member of the University community who violates state or federal law, either on property owned or controlled by the University, or at such other locations in the community which affect the University's interest as an academic institution, shall be considered in violation of University policy.

The University will take disciplinary action against any student, faculty member, unclassified staff, classified staff, or other University employee whose alleged criminal conduct is deemed by responsible authority at the University to affect the University's interests as an academic community.

### **Criminal Penalties**

Employees and students are responsible under both University policy and state law for their conduct. It is the policy of the University to arrest and refer for prosecution any student or employee who violates state or federal law concerning controlled dangerous substances.

It is unlawful in Louisiana to produce, manufacture, distribute, dispense, or possess with intent to produce, manufacture, distribute, or dispense a controlled dangerous substance unless such substance was obtained directly or pursuant to a valid prescription or order from a licensed physician or veterinarian or as a provider in R.S. 40:978, while acting in the course of his or her professional practice, or except as otherwise authorized by law. Penalties for violation of laws regulating controlled dangerous substances are as follows:

#### **Schedule I (R.S. 40:966--includes various opiates, hallucinogens, depressants, and stimulants) !**

The maximum penalty provided by law for possession of Schedule I drugs, upon conviction, is imprisonment at hard labor for not less than four years nor more than 10 years without benefit of probation or suspension of sentence. In addition, a fine of up to \$5,000 may be imposed.

**Schedule II (R.S. 40:967--includes other opiates and depressants) !** The maximum penalty for violating Louisiana law concerning controlled, dangerous substances under Schedule II, upon conviction, is imprisonment at hard labor for not less than five years nor more than 30 years. In addition, a fine of not more than \$15,000 may be imposed.

**Schedules III and IV (R.S. 40:968 and R.S. 40:969--includes stimulants, depressants, and other narcotics) !** The maximum penalty for violating Louisiana law concerning controlled, dangerous substances under Schedules III and IV, upon conviction, shall be a maximum term of imprisonment at hard labor for not more than 10 years. In addition, a fine of not more than \$15,000

may be imposed.

**Schedule V (R.S. 40:970) !** The maximum penalty for violating Louisiana law concerning controlled, dangerous substances under Schedule V, upon conviction, is imprisonment for five years. In addition, a fine of not more than \$5,000 may be imposed.

The *Revised Louisiana Criminal Code* carries specific penalties for possession of marijuana. For a first conviction, the offender shall be fined not more than \$500, imprisoned in the parish jail for not more than six months, or both. For a second conviction of possession of marijuana, the offender shall be fined not more than \$2,000 and imprisoned with or without hard labor for not more than five years, or both. For a third conviction of possession of marijuana, the offender shall be sentenced to imprisonment with or without hard labor for not more than 20 years. More severe penalties exist for possession of marijuana with the intent to distribute and for distribution of marijuana.

The *Louisiana Criminal Code* (R.S. 14:91.5) defines the unlawful purchase, consumption, and public possession of alcoholic beverages by any person between the ages of 18 and 21 years. A \$50 fine is assessed for violation of this statute.

It is unlawful for any person 17 years of age or younger to purchase or possess any alcoholic beverage. Depending on their ages, offenders may be fined from \$50 to \$300 and imprisoned for not more than 10 days. For the unlawful purchase of alcoholic beverages by adults on behalf of minors (R.S. 14:91.3), the penalty is a fine of not more than \$300 or imprisonment for not more than 30 days.

For operating a vehicle while intoxicated (R.S. 14:98), the penalty for a first conviction is a fine of not less than \$125 nor more than \$500 and imprisonment for not less than 10 days nor more than six months, which may be modified by imposition of a court-approved substance abuse program and driver improvement program. For second and third convictions, more serious penalties are imposed.

In addition to constituting crimes under state law, federal statutes also govern the illegal use of alcohol and drugs.

### **University Discipline**

Any employee who is found to possess, consume, distribute, or manufacture illegal drugs on or about the property of the University, or in other circumstances where the University has an interest, is subject to termination of employment or such lesser penalty as may be imposed by competent authority.

Any student who is found to possess, consume, distribute, or manufacture illegal drugs on or about the property of the University, or in other such circumstances where the University has an interest, is

subject to permanent expulsion from the University or any such lesser penalty as prescribed under the LSU *Code of Student Conduct*.

### **Reporting**

At least once annually, the University--through its Vice-Chancellor for Student Services (for students) and through its Office of Human Resource Management (for employees)--will distribute in writing to each student and employee, as defined herein, its policy regarding illegal acts involving alcohol or dangerous controlled substances. Every two years, the Director of the LSU Student Health Center (for students) and the Director of Human Resource Management (for employees) will report to the Chancellor an assessment of the effectiveness of institutional efforts at drug prevention and treatment for students and employees and will make recommendations for changes in programs as needed. In addition, every two years, the Dean of Students and the Director of Human Resource Management (for students and employees, respectively) will report to the Chancellor all disciplinary actions taken under this policy to ensure consistent enforcement.

### **Alcohol--Uses & Effects**

Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. Low to moderate doses of alcohol also increase the incidence of a variety of aggressive acts, including peer, spouse, and child abuse. Moderate to high doses of alcohol cause marked impairments in higher mental functions, severely altering a person's ability to learn and remember information. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects just described.

Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations, and convulsions. Alcohol withdrawal can be life-threatening. Long-term consumption of large quantities of alcohol, particularly when combined with poor nutrition, can also lead to permanent damage to vital organs such as the brain, liver, and digestive system.

Women who drink alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversible physical abnormalities and mental retardation. In addition, research indicates that children of alcoholic parents are at greater risk than other children of becoming alcoholics.

**INFORMATION**

All course scheduling must be completed by 7:00 p.m., Monday, April 29, 2002.

No courses may be added and no section changes may be made once Intercession begins.

Your registration for Intercession 2002 depends on your successful academic performance during the current semester; your schedule is subject to cancellation if you do not meet the required standards.

The University reserves the right to adjust course offerings by adding or dropping sections. If a course is canceled, a notice will appear on the schedule printed on your fee bill. You will have an opportunity to substitute an alternative class.

Refer to the *LSU General Catalog* for additional regulations which govern your enrollment.

**Academic Action**

Academic action will be applied to students

enrolled in Intersession. A student may be placed on warning status, and continued on or removed from probation or warning status based on Intersession performance.

### **Advising**

You are urged to contact your adviser to plan your schedule. Contact your department or college to determine where and when advisers are available.

### **Audit Approval**

If you wish to audit a course, you must obtain written consent from the instructor of the course and the dean of the college offering the course. You may use the telephone to schedule the course; then submit the required approvals to your college office to have your enrollment changed from credit to audit. A request for a change from credit to audit must be submitted no later than May 23, 2002.

### **Audit Only Registration**

You may not schedule courses for "audit only" using PAWS or REGGIE. If you wish to "audit only," you may obtain special enrollment forms from the Office of the University Registrar, 112 Thomas Boyd Hall. You may not register for "audit only" prior to May 20, 2002.

### **Closed Sections**

If all spaces are filled for a section you request, but space is available in other sections, PAWS and REGGIE will provide you with the call numbers and times for a maximum of three sections in which space is available.

### **Credit Hour Maximum/Course Load**

College approval is required to exceed the credit hour maximum. The credit hour maximum for Intersession is 4 credit hours. Contact your dean's office to request approval to exceed the maximum.

### **General Policies**

All Intersession students are subject to the rules and regulations of LSU, including the provisions of the *LSU General Catalog*. LSU reserves the right to cancel or make changes in courses. If a course is canceled, the entire fee is refunded.

LSU assures equal opportunity for all qualified persons without regard to race, color, religion, sex, national origin, age, handicap, marital status, or veteran status in the admission to, participation in, and treatment or employment in the programs and activities which the University operates.

If you have further questions, please call the Evening School office at 225/578-5213.

### **Incorrect Call Numbers**

If you use REGGIE, and the voice response lists a course other than the one you thought you had

added, drop the course and add the correct course. If REGGIE still lists an incorrect course or section, you may have entered the wrong call number. Check the Intersession course offerings again for the correct call number. (Be certain you are using the call number, not the course number.) If the response is still wrong, call the Office of the University Registrar at 225/578-1686.

### **"Majors" Only Courses**

You may not use PAWS or REGGIE to schedule courses listed with the "Special Enrollment" note of "MAJORS ONLY" unless you are enrolled in an appropriate curriculum. Permission of the department is required for exceptions.

### **Parking**

Students must register their vehicles to park on campus during Intersession. If you paid for a year's parking permit or a spring and summer permit, your vehicle is registered for Intersession. If you are not attending any summer session, you may purchase a one-month permit for Intersession for \$9. If you plan to enroll in Intersession and a summer session, you should purchase a \$20 summer permit that includes Intersession. If you need to purchase a parking permit for Intersession, report to the Office of Parking, Traffic, & Transportation in the Public Safety Building before you pay fees. For additional information visit the Office of Parking, Traffic, & Transportation in the Public Safety Building, or call 225/578-5000.

### **"Pass-Fail" Option**

You may not designate the “pass/fail” option using PAWS or REGGIE. To schedule a course for pass/fail grading, refer to the *LSU General Catalog* for information about required approvals. You may use the telephone to schedule the course for regular grading and report to your college office during registration to request that your enrollment be changed from regular grading to pass/fail grading. No change in the grading option may be made after May 24, 2002.

### **“Permission of Department” Courses**

You may not register for a permission of department (“PERMIS OF DEPT”) course using PAWS or REGGIE. Contact the department that offers the course for information. If your enrollment is approved, the department will add the course to your schedule.

### **“Permission of Instructor” Courses**

You can use PAWS and REGGIE to add courses listed in the Intersession course offerings with a “Special Enrollment” note of “PERMIS OF INST.” Your enrollment in the class will be “pending” until the instructor reviews and approves your request. If no instructor is listed, consult the departmental office. **It is your responsibility to contact the department to obtain the necessary permission to enroll.**

### **Prerequisites/Corequisites**

Students are expected to consult the *LSU General Catalog* to ensure that they meet all prerequisites or corequisites before they schedule courses. If you schedule a course and do not meet all prerequisites or corequisites, your enrollment in that course may be canceled.

You can use PAWS and REGGIE to add courses listed in this booklet with a “Special Enrollment” note of “PREREQ CHECKED.” Your enrollment in the class will be “pending” until the department determines whether you have satisfied the prerequisites for the course. If you have, the department will approve your registration for the course. Check your status periodically, via PAWS or REGGIE, to learn whether they have approved or rejected your registration.

### **Resignation**

If you schedule courses using PAWS or REGGIE but then decide that you will not complete registration for Intersession, please remember to call REGGIE and drop your courses to make them available to other students. If you have paid fees, but then wish to resign from the University, you must initiate that action in your college office.

### **Scholarships**

Normally, scholarships do not cover Intersession fees.
