

# COURSE SCHEDULING AND REGISTRATION SPRING 2010

## ◀ COURSE SCHEDULING PRIORITY ▶

With the exception of graduate students, professional students and graduating seniors (as defined below), students priorities are determined by adding the semester hours earned to the hours currently carried. **Currently enrolled LSU students must schedule courses by 7:00 p.m., Tuesday, November 17, 2009.** Currently enrolled students who do not schedule courses by this date will be assessed the **\$75** late registration service charge.

If PAWS states that you are ineligible to select courses, contact the office specified by the message you receive in reply. If you are not referred to a specific administrative office, you should contact your college office.
