**Fall 2010 Housing Application Changes**

Beginning June 1, 2009, students applying for on-campus housing for fall 2010 must first be accepted to Louisiana State University. Once students have been accepted by LSU, they may apply online for on-campus housing on our website, [www.lsu.edu/housing](http://www.lsu.edu/housing).

Our goal in changing this process is to have more housing assignments available to new students when they attend Freshman Orientation Advising and Pre-registration (FOAP) in the summer, to streamline our on-line self assignment process, and to better serve students who truly plan on attending LSU and live on campus.

Applications for on-campus housing for fall 2009 are even with the record numbers received last year. Since on-campus housing is limited, we encourage new students to apply as soon as they are accepted to the University, as assignments are made based on the date of application for housing. Please visit our web site at [www.lsu.edu/housing](http://www.lsu.edu/housing) for the up-to-date information on housing at LSU.
